CUSTOMER DATA SECURITY BREACH
LITIGATION

UNITED STATES COURTS
SOUTHERN DISTRICT OF TEXAS

FILED

CLERK OF COURT MDL No. 2046

TRANSFER ORDER

Before the entire Panel: Defendant Heartland Payments Systems, Inc. (Heartland) has moved, pursuant to 28 U.S.C. § 1407, for coordinated or consolidated pretrial proceedings of this litigation in the Southern District of Texas. Plaintiffs in four actions support the motion. Plaintiffs in two actions support centralization in the District of New Jersey, and some responding plaintiffs variously support centralization in the aforementioned districts, the District of Kansas, or the Southern District of Florida, in the alternative.

This litigation currently consists of nineteen actions¹ listed on Schedule A and pending in twelve districts as follows: seven actions in the District of New Jersey; two actions in the Southern District of Texas; and one action each in the Middle District of Alabama, the District of Arizona, the Eastern District of California, the Southern District of California, the Northern District of Florida, the Southern District of Florida, the District of Kansas, the Western District of Missouri, the Northern District of Ohio, and the Eastern District of Wisconsin.²

On the basis of the papers filed and hearing session held, we find that these actions involve common questions of fact, and that centralization under Section 1407 in the Southern District of Texas will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. These actions share factual allegations concerning an electronic intrusion into Heartland's processing system. Centralization will eliminate duplicative discovery; prevent inconsistent pretrial rulings, including with respect to class certification; and conserve the resources of the parties, their counsel, and the judiciary.

¹ The motion originally included twenty actions, but one action pending in the District of New Jersey has been dismissed.

² The Panel has been notified that twelve additional related actions have been filed as follows: five actions in the Southern District of Texas; four actions in the District of New Jersey; and one action each in the Eastern District of Arkansas, the Southern District of Florida, and the Southern District of Illinois. These actions will be treated as potential tag-along actions. *See* Rules 7.4 and 7.5, R.P.J.P.M.L., 199 F.R.D. 425, 435-36 (2001).

We are persuaded that the Southern District of Texas is an appropriate transferee forum for this litigation. Defendant and various plaintiffs maintain that discovery related to the data breach will be found in the Southern District of Texas, and Judge Lee H. Rosenthal has the time and experience to steer this litigation on a prudent course.

IT IS THEREFORE ORDERED that, pursuant to 28 U.S.C. § 1407, the actions listed on Schedule A and pending outside the Southern District of Texas are transferred to the Southern District of Texas and, with the consent of that court, assigned to the Honorable Lee H. Rosenthal for coordinated or consolidated pretrial proceedings with the actions pending there and listed on Schedule A.
